THROUGH THE YEAR

WE LEARNED WHAT LIFE'S ABOUT

Mr. Harris shows the Astronomy Club the stars.

High School students compete for the spirit stick in the "Shoe Hunt."

The Senior High football team display their enthusiasm at the pep rally.

(Left) Brad Griffin wins the spirit stick for the Sophomore Class by finishing first in "Dress up a football player." The part of the "football player" was played by Leigh DePoyster. (Right) Frankie Griffin, Stacey Baldwin, and Ashley Thompson revert to their childhood on "Kiddie Day."

WE NEVER HAD A DOUBT THAT WE'D ALWAYS WORK THINGS OUT

licia Green, JoAnn Floyd, John Darmstaedter, and Brad Griffin re all smiles in the lobby. I wonder who Ron Burns is trying to it?

Marla Gardner and Sherry Anderson wonder what's going on across the lobby.

The junior and senior high cheerleaders show their "Pac-Man Fever" at the first pep rally.

(Left) What in the world is Amber Nicholas doing? (Right) One of Kim Brewer's many faces draws a smile from Jacque Jackson.

WE LEARNED . . .

THROUGH THE YEAR

Laura Vinson works in the radio station located in our Video room.

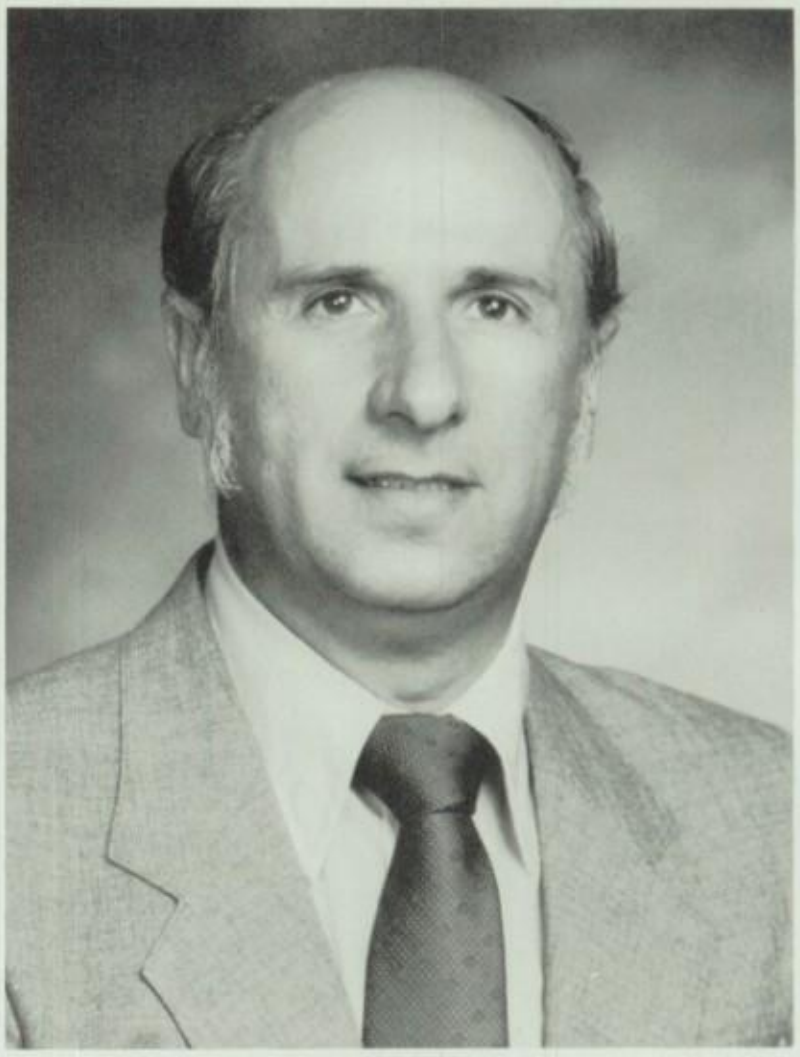
Coaches Davis, Howard, and Calcagni participate in a "baby-bottle drinking contest" during the pep rally.

Coach Shelton directs the Sr. Boys' Basketb team in practice at Barnhill Arena.

(Left) Pam Murphree and Coach Howard take a break at the scorekeeper's table. (Right) Jeff Rutledge and Candy Thompson both seem to be enjoying themselves in the lobby.

Administration * Staff

SUPERINTENDENT DR. BOBBY DEPOYSTER

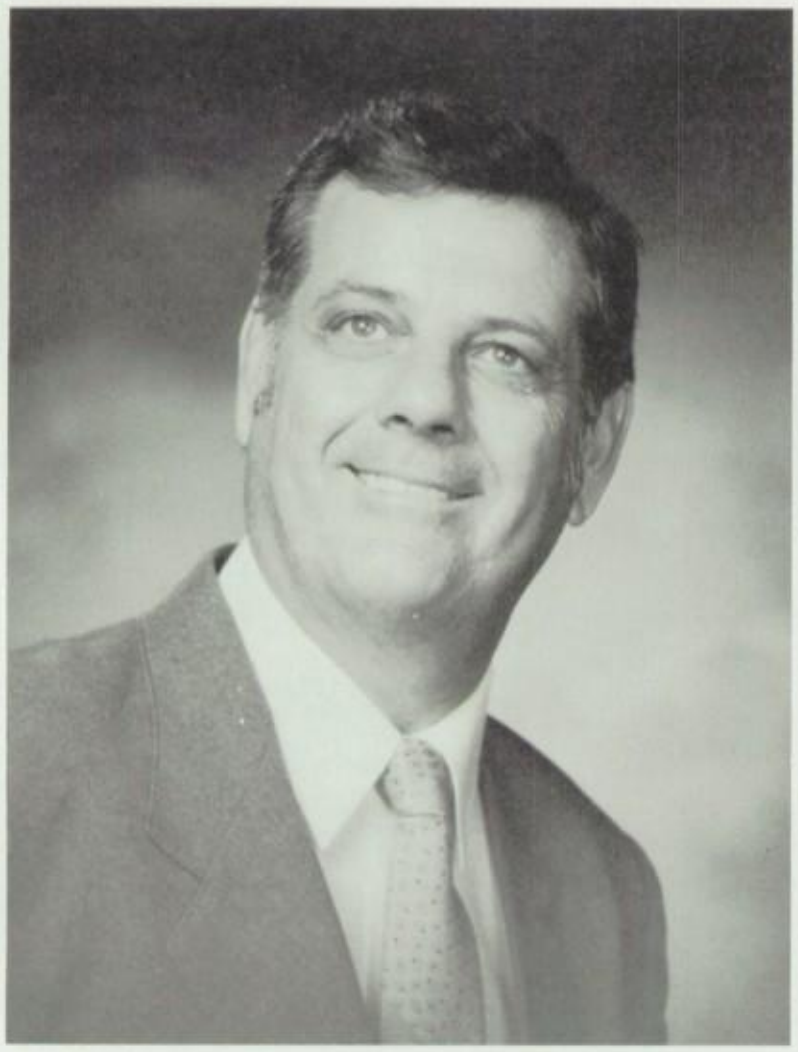


The 1982-83 school year is now history. Many areas of concern have been in our midst. World affairs, the economy, and our changing school system are "headline examples." Beyond the headlines, however, are many exciting and beneficial things that are ours as Americans, Arkansans, and as residents of Newark. No nation enjoys the freedom and quality of life as we do. Arkansas really is a land of opportunity. Newark is an exceptionally good place to live. Learning and sharing ideas really do occur on the school campus here.

The present and future can continually be challenging and rewarding for each of us. The present and future deserve and demand our best. The students, faculty, staff, administration, board of education, and the community must continue to work together in order to meet these challenges.

SCHOOL BOARD

The 1982-83 School Board Members are: left to right Tom Hall, secretary; Charles Akins, president; Frankie Griffin, vice-president; Herb King, member; Terry Edwards, member (not pictured).



HIGH SCHOOL PRINCIPAL MR. NELSON WALL

I am pleased to be a part of this school and to help provide the programs that the students need and want. Here at Newark we are attempting to realize the goals and aspirations of all our students. It is our belief that every student at Newark should have the opportunity to do anything in life he or she wishes; therefore, we need to provide courses and programs to fulfill these wishes.

I would like to encourage every student at Newark to strive to become the best in whatever they choose to be. With everyone working together toward these goals, we will all be successful.

ELEMENTARY PRINCIPAL MR. RON NEWTON

It is my hope that each one of the young people enrolled in the Newark School Program will avail him/herself of all the opportunities that may be available in our school district. Various opportunities and great potential exist within the sphere of the educational structure in our community. There are various opportunities because of the expanding curriculum offerings and experiences that students and community members may take advantage of and great potential because of the outstanding young people that attend the Newark Public Schools.

Many of our dreams and goals can become realities as we work hand-in-hand as a student body, school staff, and school district patrons. The achievement of high objectives is admirable and will take enormous dedication and effort by all citizens, young and old alike.

My challenge to Newark students is for each one of them to set their sights upon far-reaching goals and then to make every possible effort to see that these goals are reached. My desire is to be one of the "cogs" in the wheel in assisting our youngsters to develop and grow into a well-rounded, positive, contributing individual in our community and nation.

The 1982 Sr. High Football Kangaroos made NHS' second year of senior high football a very memorable one. The team began the season in the media spotlight when two former Razorbacks, Ron Calcagni and Jim Howard, took over the coaching duties. In the season opening game, the Roos looked tough as they demolished Fort Smith Christian, 40-12. Injuries and inexperience, however, led to inconsistency, and the team struggled at times throughout the season. The Kangaroos won a hard fought game at Caddo Hills, 18-14, on a gusty goal line stand in the closing seconds, and the boys provided the hometown crowd with an enjoyable afternoon when they beat an undefeated Batesville JV, 39-25, in Newark's first home football game in over fifty years. The entire season was very exciting and interesting, and it will definitely be remembered for a long time to come.

The 1982-83 Kangaroo senior boys had an exciting and successful season with a disappointing ending. The team got off to a late start on the practice floor with only six days to practice between the last football game and the first basketball game. The boys got off to an excellent start anyway. In December, the team beat Cushman for the county championship and later that month had complied a record of 12-1. The senior Roos made good showings against some of the better teams in the state while playing in the Westfork Holiday Classic and the Ark. Tech Inv. Trn. Turnovers became the team's main enemy in January and February, and in the quarterfinals of the district tournament, twenty- five turnovers helped bring their season to a premature and unexpected end. The season will certainly be remembered as a success with the 21-8 season outcome leaving many happy memories in its path.

Paul Dean, head girls' coach and Boyd Shelton, asst. coach are pictured with the basketball.

The Sr. Girls had an outstanding season this year. They surprised everyone except themselves when they won the title of Conference Champions with a record of 17-1 and when they won the District Tournament. They put in many hours of hard work before and during the season. Some of the highlights of the season for them were winning the area 2-B East Conference Title and the 2-B East District Tournament, playing in the Westfork Holiday Classic near Fayetteville, and practicing in Barnhill Arena on the University of Arkansas Campus. The Sr. Lady Kangaroos finished their season 25-4.

Bottom Row: Head Coach Danny Davis, Charles Perry, Steve Graham, Bryan Barber, Randy Rudd, John Darmstaedter, Allen Etue, and Coach Ron Calcagni.

The 1983 Baseball Kangaroos gave the NHS spring baseball program an excellent start. It was the first year for spring baseball at NHS, and the team played extremely well both offensively and defensively. The Roos hit consistently throughout the season, and in one incredible game, they drove in an amazing thirty-seven runs. The boys played well in the district tournament, winning two games before falling to Des Arc in the third. The team finished among the Top Four teams in a district of thirteen teams with an 8-8 season record. The season was certainly successful, and it left both players and fans many exciting and happy moments to remember.

The 1982 Junior High Football Kangaroos had a tough season playing teams from schools two and three times the size of Newark. The boys worked hard every day and never gave up. Even though the team did not win a game, the guys kept their heads up and were just as enthusiastic at the last game as they were when the season began. The boys fought hard and improved in each game throughout the season. This season's experience will help the team in the future, and with the boys working out in the new Kangaroo weight room, it will not be long until the Newark Kangaroos really start moving the ol' pigskin up-and-down the field.

Third Row: Coach Dean, Artie Thompson, Danny Brustrom, David Ashcraft, Matt Dean, Chris Cash, Michael Talley, and Coach Shelton.

The 1982-83 Junior Kangaroos were a group of promising, but inexperienced boys with alot of heart. The starting lineup was entirely seventh and eighth graders throughout the season. The team showed alot of promise at times, especially in early January when they beat Grubbs in the Weiner Invitational Tournament. The team had many close, exciting games with all but one ending heartbreakingly. Although the season ended with a 1-14 record, the boys enjoyed the year and gained valuable experience that will help make their future seasons more successful.

The Jr. Lady Kangaroos put on an excellent performance this year as they battled their way through their conference games. They ended up 10-0 in conference play and were named 2-B East Conference Champs. In addition to this, they were the Runner-up in both the County and District Tournaments, losing both final round games to a much more experienced Desha Team. They put in many hours of practice and their enthusiasm during those practices carried over into their games as they finished the season 17-3.

Beth,
You have been a great friend to me for the last two years, I hope we stay friends for a long time.
You were always there when I needed a friend to talk to, and you helped me alot. We have also had our bad days, but we always seem to work the problem out. I wish your family didn't IS moved so far away, but I guess we will always be friends. Remember me always!"
